207-1		Approach to tax	a. A description of the approach to tax, including:	Tax Transparency	P.071				
			i. whether the organization has a tax strategy and, if so, a link to this strategy if publicly available;						
			ii. the governance body or executive-level position within the organization that formally reviews and approves the tax strategy, and the frequency of this review;						
			iii. the approach to regulatory compliance;						
			iv. how the approach to tax is linked to the business and sustainable development strategies of the organization.						
207-2		Tax governance, control, and	a. A description of the tax governance and control framework, including:	<u>Tax Transparency</u>	P.071				
		risk management	i. the governance body or executive-level position within the organization accountable for compliance with the tax strategy;						
			ii. how the approach to tax is embedded within the organization;						
			iii. the approach to tax risks, including how risks are identified, managed, and monitored;						
			iv. how compliance with the tax governance and control framework is evaluated.						
			b. A description of the mechanisms for reporting concerns about unethical or unlawful behavior and the organization's integrity in relation to tax.						
			c. A description of the assurance process for disclosures on tax and, if applicable, a reference to the assurance report, statement, or opinion.						
107-3		Stakeholder engagement and management of concerns related to tax	a. A description of the approach to stakeholder engagement and management of stakeholder concerns related to tax, including:	Sumitomo Chemical Group Tax Policy					
			i. the approach to engagement with tax authorities;						
			ii. the approach to public policy advocacy on tax;						
			iii. the processes for collecting and considering the views and concerns of stakeholders, including external stakeholders.						
207-4		Country-by-country reporting	a. All tax jurisdictions where the entities included in the organization's audited consolidated financial statements, or in the financial information filed on public record, are resident for tax purposes.	Corporate Income Taxes Paid Consolidated Financial Statements	<u>P.071</u>				
			b. For each tax jurisdiction reported in Disclosure 207-4-a:						
			i. Names of the resident entities;						
			ii. Primary activities of the organization;						
			iii. Number of employees, and the basis of calculation of this number;						
			iv. Revenues from third-party sales;						
			v. Revenues from intra-group transactions with other tax jurisdictions;						
			vi. Profit/loss before tax;						
			vii. Tangible assets other than cash and cash equivalents;						
			viii. Corporate income tax paid on a cash basis;						
			ix. Corporate income tax accrued on profit/loss;						
			x. Reasons for the difference between corporate income tax accrued on profit/loss and the tax due if the statutory tax rate is applied to profit/loss before tax.						
			c. The time period covered by the information reported in Disclosure 207-4.
